SELF STUDY REPORT (CYCLE 1) 2018-2023

Criteria 6: Governance, Leadership and Management

Key Indicator: 6.1 Institutional Vision and Leadership

Metric: 6.1.1: Effective leadership through the establishment of values and participative decision-making processes is crucial not only for achieving the vision, mission, and goals of the institution but also for fostering a strong organizational culture. The formal and informal coordination of academic and administrative planning and implementation efforts plays a vital role in realizing this vision
