SELF STUDY REPORT (CYCLE 1) 2018-2023

Criteria 6: Governance, Leadership and Management

Key Indicator: 6.2 Faculty Empowerment Strategies

Metric: 6.2.1 The leadership provides clear vision and mission to the Institution. The functions of the Institution and its academic and administrative units are governed by the principles of participation and transparency. Formulation of development objectives, directives and guidelines with specific plans for implementation by aligning the academic and administrative aspects improves the overall quality of the Institutional provisions.
